the universe is instant by instant recreated anew the perfect moment is now be glad of it time is a resource everyone knows it must be managed you can let it move fast or slowly but what you mustn't do is allow it to stop on the discworld the history monks have the important job of ensuring that tomorrow always comes but the construction of the world's first truly accurate clock starts a race against well time monk lu tze his apprentice lobsang ludd and death's granddaughter susan must stop the clockmaker before he completes his task because a truly accurate clock will stop time completely and then there really will be no tomorrow this is the best pratchett i've read sunday telegraph thief of time is the fifth book in the death series but you can read the discworld novels in any order

philosophical humor of the highest order kirkus reviews time itself is threatened and it's up to the history monks to save it in this hilarious installment in sir terry pratchett's bestselling discworld series everybody wants more time which is why on discworld only the experts can manage it the venerable monks of history who store it and pump it from where it's wasted like underwater how much time does a codfish really need to places like cities where busy denizens lament never having enough of it while everyone

talks about slowing down one young horologist is about to do the unthinkable he's going to stop well stop time that is by building the world's first truly accurate clock which means esteemed history monk lu tze and his apprentice lobsang ludd have to put on some speed to stop the timepiece before it starts for if the perfect clock starts ticking time as we know it will end and then the trouble will really begin the discworld novels can be read in any order but thief of time is the final book in the death series the collection includes mort reaper man soul music hogfather thief of time

the phenomenal 20 million copy bestselling author and king of satirical fiction delivers another ingenious novel in this terry pratchett worldwide bestselling series discworld is a topsy turvy magical place carried serenely through the universe on the back of the great turtle in the comic tradition of douglas adams hitchhiker's guide

thief of time is a graphic novel adapted from terry pratchett's critically acclaimed book featuring artwork from prize winning comic book illustrator rachael stott the very fabric of reality is at risk on the discworld a group of powerful cosmic beings are plotting to stop time and exact order over the dreadfully messy universe it is up to susan the assertive no nonsense granddaughter of death himself aided by a time splicing monk and his mysterious apprentice to navigate a world of chaos and clockmakers in an extraordinary bid to save the universe together they will face an adventure that bends time and challenges the very nature of existence this new graphic novel is a feast for the eyes packed with pratchett's signature wit insight and imagination taking the reader on an unforgettable journey into the heart of time itself part of the discworld graphic novel universe praise for the original novel this is the best pratchett i've read sunday telegraph terry pratchett is one of the great inventors of secondary or imaginative or alternative worlds the times part kung fu epic part philosophical novel part mind bending experiment with chaos theory and a piss take of those three things guardian

extraordinary the various strands of the story are resolved with a stylish twist and genuine warmth the sunday express a minor masterpiece of organisation and historical sampling time out matthieu zela has lived his life well in fact he's lived several lives well because matthew zela's life is characterised by one amazing fact his body stopped ageing before the end of the eighteenth century starting in 1758 a young matthieu flees paris after witnessing his mother's brutal murder his only companions are his younger brother tomas and one true love dominique sauvet the story of his life takes us from the french revolution to 1920s hollywood from the great exhibition to the wall street crash and by the end of the twentieth century matthieu has been an engineer a rogue a movie mogul a soldier a financier a lover to many a cable tv executive and much more besides brilliantly weaving history and personal experience this is a dazzling story of love murder missed chances treachery and redemption what readers are saying about thief of time beautifully written with a story that will stay with me for a very long time captivating from start to finish boyne is a born storyteller john boyne's upcoming novel the echo chamber is available for pre order now

locations play an important role in every story but in british and american contemporary crime fiction they are often inextricable from the narrative this work examines the city the countryside and the wilderness as places ripe with literary significance and symbolism using works by authors like robert galbraith ian rankin denise mina chris brookmyre john knox peter robinson linda barnes dana stabenow nevada barr les roberts philip r craig and others this work offers a fresh assessment of how place and space are employed in contemporary crime fiction highlighted are similarities and differences among the authors approaches to setting and how they relate to the history of crime fiction and to the general literary representation of place going beyond mere literary geography the book engages the sociocultural dimensions of the communities affected by crime chapters also analyze the reader s perception recognition and appreciation of place and community
