from new york magazine s award winning restaurant critic a timely and delectable
smorgasbord of dishes and dishing honest revealing and funny new york times book
review a wildly hilarious and irreverent memoir of a globe trotting life lived meal to meal
by one of our most influential and respected food critics as the son of a diplomat growing
up in places like hong kong taiwan and japan adam platt didn t have the chance to
become a picky eater living traveling and eating in some of the most far flung locations
around the world he developed an eclectic palate and a nuanced understanding of
cultures and cuisines that led to some revelations which would prove important in his
future career as a food critic in tokyo for instance a kind of paradise for nose to tail
cooking he learned that if you re interested in telling a story a hair raisingly bad meal is
much better than a good one from dim sum in hong kong to giant platters of peking duck
in beijing fresh baked croissants in paris and pierogi on the snowy streets of moscow
platt takes us around the world re tracing the steps of a unique and lifelong culinary
education providing a glimpse into a life that has intertwined food and travel in exciting
and unexpected ways the book of eating is a delightful and sumptuous trip that is also
the culinary coming of age of a voracious eater and his eventual ascension to become as
he puts it a professional glutton a scarfable recounting of his travels told through meals
food52 gastronomes and fans of platt will savor this behind the scenes look at real life as
a restaurant critic publishers weekly a candid entertaining look at an often bizarre new
gustatory landscape kirkus reviews entertaining booklist a delicious peek behind the
scenes of a storied career bookpage starred review

the step by step guide to apache for busy professionals this book contains practical
concise hands on coverage of configuration virtual hosting and database connectivity and
contains examples of configuration directives for a wide range of real world tasks

slaphappy is reporter thomas hackett s penetrating look at the world of professional
wrestling for those who love the spectacle and for the sport s skeptics and the uninitiated
through interviews with wrestlers promoters and fans hackett explores the full range of
issues that swirl around wrestling culture fame masculinity violence aggression
performance and play among the lessons of professional wrestling is that deceit is a
fundamental fact of american life and yet paradoxically the one thing wrestling isn t is
dishonest although wrestlers play pretend wrestling itself doesn t pretend to be anything
other than what it is fantastically absurd a very american kind of madness celebrity
obsessed pathologically narcissistic murderously competitive it both epitomizes and

parodies the delusional egoism at the heart of the culture more than that wrestling provides its fans and performers a medium for thinking about getting over in america today this spectacle of excess may be the apotheosis of american imbecility but it is also defiant hopeful liberating and unifying a throwback to the raucous pleasures of early theater fans aren't detached connoisseurs looking satirically down on life concealing their anxieties in the cold comforts of irony they are total participants in a carnival of their own making shouting epithets throwing chairs expatiating their worries in a crowd's triumphant foolishness it is slaphappy concludes all the stuff of human culture where does fantasy end and reality begin where does the performance stop and life take over writing with affection and discernment hackett gets deep into the culture discovering that the make believe competition of wrestling is indeed real for millions of young men real in the sense that something real and important is at stake their worth as men

while italian cinema has long been popular with international audiences a surprising unfamiliarity remains regarding the rich traditions from which its most fascinating moments arose directory of world cinema italy aims to offer a wide film and cultural context for italian cinema's key aspects from political radicalism to opera from the art house to popular cinema essays by leading academics about prominent genres directors and themes provide insight into the cinema of italy and are bolstered by reviews of significant titles from the silent spectacle to the giallo the spaghetti western to the neorealist masterworks of rossellini this book offers a comprehensive historical sweep of italian cinema that will appeal to film scholars and cinephiles alike
